Greetings Fellow Disciples of Christ:

Welcome to the 17th Annual Church Alive 365 Ministry Leadership Conference. The theme for this year is focused on doing good work for the Kingdom, with an emphasis on biblical preaching, teaching, praying and serving. We are also providing sessions dealing with the impact of voting rights and the upcoming census and presentations: on addressing mental health problems among disciples; developing glorious worship; church growth; women in ministry; environmental justice; youth ministry development; music and dance ministries.

God has blessed us again to present this Conference. We pray that this year's sessions will provide useful tools and concepts which will inform and help inspire, empower and motivate you and your congregations to mature Kingdom service.

We hope that through this conference, saints of God are equipped to do His "good works." God has chosen to bless this conference once more with extraordinary presenters. They are stellar Disciples of Christ who preach, teach and serve the Kingdom of God with passion and purpose. As always, it is my prayer that God uses this conference to enrich, inspire, and expand your ministry and that the Holy Spirit gives you understanding, wisdom, and courage as you serve God and God’s people; and that you will have a positive impact in your community and the world for the cause of Christ.

In His Service,

The Rev. Eldridge Spearman

He believes that God created a perfect ecologically balanced world for humans to care for, but we are destroying it at an alarming rate. He asserts that for the environment to be saved, the educational, scientific, business, political, and faith communities must seek common solutions.
